TVS Ronin 250. Modern lines, authentic character.

The TVS Ronin 250 was designed from scratch – without any role models or stylistic compromises. It combines elements of a naked bike with those of a scrambler and presents itself as a unique, unmistakable motorcycle. Designed for discerning riders ready to experience new emotions – whether riding solo or with a passenger. With advanced TVS technology and a powerful, superbly equipped design, the Ronin takes center stage on every journey – from urban roads to rough terrain where adventure knows no limits.
