TVS RTR 310 BTO. Freestyler with a sporty character.

The TVS RTR 310 was inspired by the #freestyleworld and has a decidedly electrifying and versatile character. A motorcycle full of cutting-edge technology, designed for pure fun, powered by a single-cylinder four-stroke engine with electronic throttle control (ETC). The ideal companion for agile driving in the city – and ready to conquer new horizons, whether on winding riverside roads or tight mountain serpentine, for a more dynamic and entertaining driving experience.

- ✓ Sporty seating position with slim, raised rear section
- ✓ Split headlight element with intelligent light control
- ✓ Two-channel ABS
- ✓ Electronic throttle control (ETC)
- ✓ Stability and traction control
- ✓ KYB monoshock with monotube floating piston technology, 7-step adjustable spring preload.
- ✓ Hyper Spec trellis frame with aluminum rear frame: the backbone for excellent handling at high speeds and effortless control in all conditions
