Part naked, part scrambler, the RONIN brings a modern interpretation of everyday motorcycling where heritage meets freedom.

Part naked, part scrambler, the RONIN brings a modern interpretation of everyday motorcycling where heritage meets freedom. Its 225 cc engine with Glide Through Technology (GTT) delivers responsive torque right from low revs, while USD front suspension and relaxed ergonomics provide confident control on city streets and open roads alike. The RONIN is made for riders who turn every journey into a statement of freedom, always daring to ride what's next.
